- To improve the ability to think over a crisis and find a viable solution.
- To develop all around development of students and make him globally competent.
- To make students ICT enabled.
- To update competitive spirit and employability.
- To train them of art of speaking -spoken English, debating and conference skills
- To develop leadership qualities.
- To enable students to become bold thereby boost their confidence level

#### Context:

- It is the time to make students to inculcate soft skills and make them highly competitive and confident.
- We are living in the world of digitalization and internet. So, the development of soft skills by the students is the dire need of the hour.
- Language ability and skills capabilities such as improvement of vocabulary, fluency, pronunciation, reading, writing and the art of speaking, presentation would enhance their abilities thereby globally competent.
- The soft skills and language skills inculcated by students are the most valuable inputs which help them to develop competitive skills and enhance the power of their employability.

- Exposure to modern mode of learning, contact with resource persons provide a golden opportunity to face the difficult task in the course of student career and future life.
- Managerial skills and entrepreneurship are essential to succeed in the world of commerce and business that is thrust area

### Practice:

- The institution has chalked out a comprehensive integrated program and implemented.
- The institution has set up a well-furnished computer liberty with WIFI facilities.
- Students are trained by the subject expert teacher as how to operate computer with internet access. We provide practical knowledge and experiences on the usage of computers and internet facilities.
- The institution has organized and executed a Certificate Course on Digital Marketing in collaboration with MIT. It encouraged students to learn how to market goods through online marketing.
- In order to enhance language capabilities of the students we conducted Certificate Course on English Language Skills.
- We have conducted certificate course on Personality Development in order to improve their communication skills, personality traits and self-concepts.
- The institution has adopted a method to improve writing skills of students. In order to achieve this goal our faculty have given home assignments regularly to the students after completion of each unit. They were asked to write it at home and submit. The duly submitted assignments are properly corrected and returned to the students with the suggestion to improve writing skills.
- Project work was given to the final year students on Functioning of Nationalized banks to a group of five students. They visited banks and collected relevant information and data. On the basis of it they wrote a comprehensive report on functioning of banking sector.

- Inter collegiate sport events were conducted with great success which provided a great opportunities and exposé to the students to interact with a variety of sport persons of various institution and regions.
- NCC cadets of our institution have participated in various regional and state level camps conducted by NCC Battalion. It provided a rare occasion for them to gain unique experience to develop strong personality and leadership qualities. It fostered a patriotic feelings and national integrity.
- NSS unit of our institution is quite active and engaged in a many meaning full activities. Every year we conducted a special camp in an adopted village. During this week-long program student get to know rural life, their problems and prospects. It was considered to be a golden opportunity for students to gather the most vital experience which inspired them to develop a strong personality.
- Our faculty direct students to spend at least one hour in library and read English newspapers, periodicals and reference materials which helped them to gather knowledge and improve their English, upgrade their general knowledge.

### **Evidence of Success:**

- The soft skills and language ability inculcated by the students enhanced enormously and upgraded in the course of their tenure in the college, i.e., from joining institution to outgoing with degree certificate.
- The competitive spirit of the student has been improved lot. As a result, most of them faced various competitive examination with great success.
- As result of concentrated efforts students of our institution have secured 3-4 ranks every year at affiliated university Gulbarga University Kalburgi
- The art of speaking and conferencing skills helped students to participate debate competition held at state and national level. Premkumar Patil our student participated national level debate competition Speak for India and secured First place.
- Most of the students secured jobs in various sectors such as Banking, Railway, Postal. It is an evidence of success of their employability.

- The management skill, marketing skills sound personality that they have developed in the institution, helped students to become a successful entrepreneur.
- Some of our college students had inculcated leadership qualities through N.C.C, N.S.S games and sports activities. They have become great administrators, legislators, social workers, lawyers, political, leader, thereby made a great contribution to the nation, society and humanity at large.

### **Problems Encountered and Resources Required:**

- Kalyan Karnataka region in which our institution is functioning considered to be backward area is Karnataka state. There is an acute poverty which hampers students to pursue higher education.
- Most of the students come from rural areas and they study in regional language Kannada. They find difficult when they have to switch over to English.
- Some the students are slow learners, there is another group who lack interest and failed to concentrate on studies as their attention is diverted by mobile, internet, and social media.
- There is a crunch of human resources in the institution as the state government did not give permission to fill up the vacant post in the institution.
- The management provided resources to run the institution. In spite of that the institution is required to get full support from state government by giving permission to fill up the vacancies.

## Best Practice-II

### Title of the practice: Service to humanity is Service to God

#### Objectives of the practice:

- The institution is guided by and runs under the Dasoha Philosophy-it means selfless and dedicated service, giving and offering without any restraint to the greater course of society and humanity.
- The institution has set lofty goal to disseminate and put into practice the highly nourished and cherished objectiveness of founding father of the institution.
- The ultimate aim of the institution is striving to spread awareness awaking the young minds by providing quality education i.e. Disseminate knowledge wisdom and faunal of life experience.
- To carry forwards the great legacy the institution inherited from its partial institution SBVVS.
- To accomplish the task of upward journey i.e. from redundance to divine.
- To go beyond the institution and deliver and discharge obligation of institution social responsibilities along with academic activities of teaching and learning
- Upliftment of ethical and spiritual values and views of the stakeholders and society at large

#### Context:

- The institution was established by centenary celebrated SBVVS
- It was started under the aegis of Sharnbasaveshwar Maha Dasoha Peetha which was set up in 18<sup>th</sup> century by the great saint humanitarian and moving god on earth lord Sharnbasaveshwar.
- So far eight peetadhipaties practiced and preached the great values and virtues enshrined in dasoha philosophy
- The modern word especially the young generation is devoid of moral values familial obligations, self-discipline and social responsibilities output and

inculcate the sublime and life sustaining ideas propagated by great saint lord Sharnbasaveshwar.

- Humanitarian values are universally acknowledged but those age-old values and wisdom handed over by ancient fore fathers are found to be a divined. It should be regenerated giving great Filip to it.
- Cornmeal harmony, national integration, universal brotherhood, Sarve Jan sukhino bhavattu are the dire need of the hour.
- Traditional values, cultural root of the past religious passions can strengthen the parent exitance

### **Practice:**
