### GLIMPSES OF OUR SANGHA

Established in 1903 by Poojya Doddappa Appaji, the Sharanbasaveshwara Vidya Vardhaka Sangha of Kalaburagi has been a steadfast beacon of education and service to humanity. Overcoming the challenges of its time under Nizam and British rule, the Sangha was founded to uplift the educationally backward Kalyan Karnataka region. Under the visionary leadership of the late Dr. Sharanbaswappa Appaji, the Sangha has evolved into a pivotal educational institution, fostering a hub of learning and cultural preservation. It stands as a testament to the enduring legacy of Mahadasohe Sharanbasveshwar, whose Dasoha philosophy continues to inspire its mission to cater to millions in need and enrich lives through knowledge and compassion.

Named after the revered saint Mahadasohe Sharanbasveshwar, the Sangha embodies a rich cultural heritage and a deep commitment to community service. It has played a crucial role in safeguarding the Kannada language and culture while opening new avenues of education for marginalized sections of society. The Sangha's dedication to Dasoha, exemplified by its efforts to quench the thirst for knowledge among the deprived, underscores its profound impact on Karnataka's social and educational landscape.

#### SHARANABASVESHWAR COLLEGE OF COMMERCE

Sharanabasveshwar College of Commerce was started in the year 1961. The Institution is one of the earliest Commerce Colleges in the Hyderabad Karnataka region. Over the years, it has become one of the Prestigious institutions as there has been a consistent infrastructure development, aiming at imparting quality education for both men and women. Sharanabasveshwar College of Commerce is proud to have contributed to society's all-around growth through its own set of students, who are etched as knowledge revolutionaries in the bylanes of history.

An outstanding achievement in the history of our college occurred in 2022, when the college was accredited by NAAC with an 'A' grade and a 3.15 CGPA. It would be a matter of great pleasure for us if you could be a part of this academic activity of greater significance.

#### About the Indian Economic Association

The Indian Economic Association (IEA), established in 1917 by Prof. C. J. Hamilton in Calcutta, is the oldest, largest, and only national association of professional economists in India. With a membership of more than 12,000 across India and abroad, the IEA has been led by several distinguished Presidents, including Nobel Laureate Prof. Amartya Sen, Dr. Manmohan Singh, Dr. C. Rangarajan, Dr. Y. V. Reddy, Prof. V. K. R. V. Rao, Dr. Vedaigiri Shanmugasundaram, Prof. K. N. Raj, Prof. C. T. Kurien, and Prof. M. S. Adhishiah, among others. A unique distinction of the Association is its uninterrupted conduct of 107 Annual Conferences, featuring active participation from policymakers, researchers, think tanks, and international organizations such as the World Bank, IFPRI, and the ILO. The 108th Annual Conference will be organized by VELS UNIVERSITY, Chennai, Tamil Nadu, from 27th to 29th December 2025.

With the Divine Blessings of His Holiness

## Conference Objectives

The primary objective of the conference "Viksit Bharat: A Multidisciplinary Approach to Sustainable Development" is to bring together academicians, researchers, policy-makers, and students from diverse disciplines to engage in meaningful dialogue on India's journey to Viksit Bharat 2047. The conference aims to explore innovative, inclusive, and sustainable pathways for national growth by integrating the perspectives of economics, technology, commerce, science, education, and social sciences. It seeks to examine the role of multidisciplinary research, policy reforms, and innovations in addressing the challenges of economic development, environmental conservation, and social equity.

Furthermore, the conference aspires to promote collaborative learning and research that align with national initiatives such as Atmanirbhar Bharat, Digital India, Make in India, and NEP 2020. By encouraging intellectual exchange and showcasing best practices, it aims to empower youth, enhance institutional contributions, and strengthen India's commitment to sustainability and global competitiveness. Ultimately, the conference envisions creating a shared platform for developing actionable ideas and strategies that will contribute meaningfully to build a self-reliant, knowledge-driven, and sustainable Viksit Bharat.

#### Call for Papers

We invite academicians, Research Scholars, students, professionals, and entrepreneurs to participate and present their papers which are unpublished/currently under other review or original research papers in the seminar.
